

## Mississippi Valley Workforce Development Board

---

### **Request for Quote E-Learning System Released: April 5, 2024**

Mississippi Valley Workforce Development Board (MVWDB) is seeking quotes for the procurement of an eLearning system platform to facilitate workforce development initiatives across our eight-county area. The Mississippi Valley Workforce Area covers the counties of Jackson, Clinton, Scott, Muscatine, Louisa, Lee, Henry, and Des Moines counties. We are dedicated to enhancing the skills and knowledge of our workforce and believe that an effective eLearning platform will provide convenient and accessible training opportunities for our constituents.

Our requirements for the eLearning platform include but are not limited to:

- Unlimited access for users within our eight-county area.
- User-friendly interface and navigation.
- Customizable course content and assessments tailored to various industries and skill levels.
- Compatibility with different devices (desktops, laptops, tablets, and smartphones).
- Reporting and tracking capabilities for monitoring user progress and engagement.
- Compliance with relevant data security and privacy regulations.

We invite you to submit a formal quote for the provision of the eLearning platform meeting the aforementioned requirements. Please include the following details in your quote:

- Detailed description of the eLearning platform, including the number of courses, certificate programs, features, and functionalities.
- Pricing structure, including any recurring fees, licensing costs, or additional charges.
- Implementation timeline and support services provided.
- References or case studies demonstrating successful implementations of your eLearning platform in similar contexts.

Additionally, please indicate any customization options or value-added services available to tailor the eLearning platform to our specific needs.

The deadline for submitting quotes is April 15<sup>th</sup>, 2024. All submissions should be sent electronically to Miranda Swafford at [director@mississippivalleyworkforce.org](mailto:director@mississippivalleyworkforce.org). Should you require any further information or clarification, please do not hesitate to contact us.

We appreciate your interest in supporting our workforce development efforts and look forward to receiving your quote.
